

# Muhammad Annafi Fakhruddin

Software Developer

✉ annafi101@gmail.com 📞 +6282233980703 📍 Surabaya

## Profile

As a software developer, I prioritise innovation and efficiency in my work. I have extensive experience in developing mobile and web applications that place particular emphasis on performance and user experience. I am continually exploring the latest technologies to create sophisticated and impactful digital solutions.

## Education

<b>S1 Sisitem Informasi</b> Universitas Dinamika, Surabaya	Aug 2020 – Aug 2025
<b>Rekayasa Perangkat Lunak</b> SMK Telkom, Malang	Aug 2016 – May 2019

## Internships

<b>Internship Software Developer</b> PT. Kediri Inti Kediri Bersama, Kediri	Jul 2023 – Jan 2024
During my internship at PT Kediri Inti Bersama, I developed a web application for booking workshops using the PHP Native. This application facilitates online booking, status notification, as well as customer management and service history. I also documented the system and features to ensure that the application can be used and managed properly.	
<b>Internship Development Engineer</b> PT. Profio Teknova Indonesia, Sidoarjo	Jul 2017 – Jan 2018
During my internship at PT Profio Teknova Indonesia, I contributed to a strategic project with PT PLN Nusantara Power (PNB) by designing a user-friendly UI/UX, developing key features and ensuring optimal application performance. This experience sharpened my technical skills and demonstrated my ability to deliver impactful results in large-scale projects.	

## Certificates

<b>Junior Mobile Programmer</b>	Aug 2024
• Certificate of National Professional Certification Agency	
<b>Front End Web and Back End</b>	Jun 2024
• Certification by publishing organisation PT Presentologics	
<b>Front-End Web Development Expert</b>	May 2023
• Indonesian Dicoding Certificate of Competence
